Our library boasts of a collection ranging from **Fiction:** Picture Books, Fairytales, Folklore, World Classics, Comics, Short Stories, Fables etc.,

**Reference Section:** Sets of Encyclopedia, Knowledge Banks, Atlases, Dictionaries & Thesaurus, Scientific Journals, Biographies, Facts & Trivia, literature on the English Language etc.

**Periodicals Like:** Newspapers, Sports Star, Wisdom, Champak, Tinkle, Readers Digest, National Geographic, Teacher's Plus, Down to Earth etc.

**Science Lab:** Children are naturally curious. They are enthusiastic to learn new things. We have laboratory which has essential equipment, apparatus, chemicals, specimens, models, charts etc.

**Computer Lab:** Children expand their horizon as they learn the science of computers and demonstrate their practical usage with the help of computer labs. There are two separate labs for the juniors and seniors with around 40 computers. Children are taught how to draw using Paint Brush, basics of text formatting using MS Word, concept of spreadsheets using Excel, making lively and effective presentations using PowerPoint, basic programming using languages such as Q Basic, Java, multimedia & basics of internet access etc. taught by experienced and skilled teachers.

**Infotainment:** Brain Teasers, Puzzles & Riddles, Crosswords, Anecdotes, Mathe-magic, Humor, Games, word games such as Scrabble etc.

**Language Lab:** we cannot stress enough on the importance of language and communication, both written and verbal. To cater to these vital requirements we have what is called the Language lab. It houses 40 computers along with the latest configuration with earphones to work individually. Model interactive software helps the students to listen and practice correct English pronunciation which helps them speak more confidently.

**Math lab:** A unique place to learn math using innovative techniques. It offers a different perspective to the students helping them understand basics without too much effort. The Math lab has been newly introduced and is hugely popular among the students.

**ICR:** Commonly known as Smart Classes! All our class rooms from I to IX have been installed with ICRs from NIIT, which enables the students to learn & know better, they do not have to go to special halls or audio visual rooms for it.

**Transportation:** For the convenience of students we run 8 buses within a radius of 15 km. All our drivers are experienced and hold a valid Drivers' License since safety is of paramount importance.

www.cmrschools.in-438337955

**Smart boards:** All classes from I to IX are equipped with imported interactive smart boards, LCD projectors and computers. All subjects are taught through visuals such as Pictures, animation, short films and virtual labs. The impact of visual learning is indisputable.

QUEST FOR EXCELLENCE.

## VISION

To empower the young minds through paradigm shift in rediscovering and redefining the spirit of education and achieve the epitome of excellence.

## MISSION

- To bring the world class education and infrastructure to every child's reach.
- To create awareness in critical contemporary issues.
- To teach the importance of humanity and culture.
- To create a unique roadmap for an enquiring journey of knowledge.
- To develop intellectual independence and risk taking through inquiry.
- Direct experience and collaboration.
- To identify and integrate multiple intelligence into class room.
- To imbibe value of respect, integrity, compassion and justice to encourage community responsibility and combating prejudice.
- To personify holistic development.

## CORE VALUES:

- For us a school is a place where the child is respected first and taught.
- A student never fails rather it's the teacher who fails.
- We work as hard as you do to ensure your child's success.
- We promote healthy learning ambience.
- We discover and groom the multiple intelligences of the child.
- Apart from intelligent quotient we also develop the emotional quotient of the child.
- We neutralize the individual differences and activate efficiency.

*Our school is four walls with tomorrow inside where children think, dream, believe and achieve. For us a school is a place where teacher and student explore together.*

AERIAL VIEW OF CMR CAMPUS

CMR INTERNATIONAL SCHOOL aims to provide the atmosphere in which child accumulates the knowledge and learn to create, developing into an integrated human being to kindle the light of learning with goodness into an ever changing world.

Our education system encapsulates the mission and purpose of the school where a child develops as "THE WHOLE CHILD".

CMR believes in "WHEN KIDS FEEL RIGHT, THEY'LL BEHAVE RIGHT. HOW DO WE HELP THEM TO FEEL RIGHT? BY ACCEPTING THEIR FEELINGS"! Our School focuses on learning to develop various talents at pre primary level

CMR INTERNATIONAL aims to groom and mould tomorrows global citizens who will be innovative and informed decision makers. The primary classes from NURSERY - X Class will help the child to become "WHOLISTIC" as well as a valuable member of society who will accomplish our mission.

#### A VISION behind CMR

A charismatic leader who lead the educational institutions giving opportunity to all sectors of people to develop and created intellectuals, world class citizens spread all over the world.

Under his democratic leadership CMR and Malla Reddy group of institutions are seeded and blossomed into garden, which created and molded students as fantastic human beings with great values. He has been awarded "VIDYA RATNA" for his

world class service to the education. He is realistic, friendly and encourages all people around him. His love towards young generation is our CMR INTERNATIONAL.

In his words the school is going to "Foster human excellence imbued with all round growth of child's personality and maintain high standard of discipline along with service to mankind through creative, analytical, problem solving and to explore - education to think and create beyond."

**"Intellectuals are not born but are made."**

**Mr. CH. Malla Reddy** is the founder Chairman of Malla Reddy Group of Institutions (MRGI) and CMR Group of Institutions (CMRGI) who has been in the field of education for the last 33 years with the aim of spreading quality education in the fields of Medicine, Engineering and Management. At present the Group has 30 Colleges - 12 Engineering Colleges, 2 Medical Colleges, 2 Dental Colleges, 4 Pharmacy Colleges and 10 Management Colleges with a total of 40,000 students, making it the largest group of institutions in AP & Telangana states. The MRGI is situated about 30 km from the International Airport, Hyderabad. The diverse and enormous growth of the MRGI group unravels his realistic vision to cater to the needs of students in all areas of education.

*He is rated as one amongst the top 10 most powerful persons in A.P & Telangana region by the reputed Magazine India Today and is now also into active politics, elected as the Member of Parliament for the Prestigious Malkajgiri Constituency.*
